Central team

## Welcome to our Central Newsletter

Hello and welcome to the inaugural edition of our new Central team newsletter! This publication is dedicated to shining a spotlight on the outstanding efforts of our Trust Central Team. Here, you'll find articles showcasing how teamwork across our Trust is not just making waves, but creating a ripple effect that elevates the quality of education and strengthens our community bonds. Let's stay connected and celebrate the remarkable impact we're making together!

Where Everyone Succeeds

# HUGE IMPROVEMENTS IN BUILDINGS ACROSS THE TRUST

## Exciting Progress at Treviglas Academy!

The work across the Trust has been coordinated and supported hugely by our Central Team.

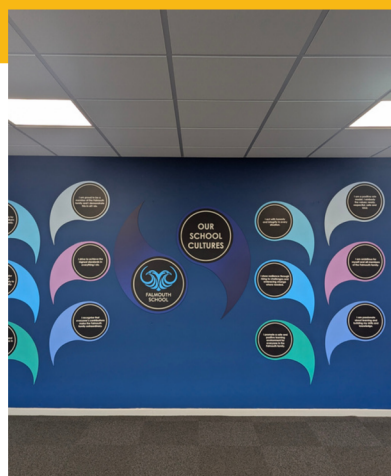

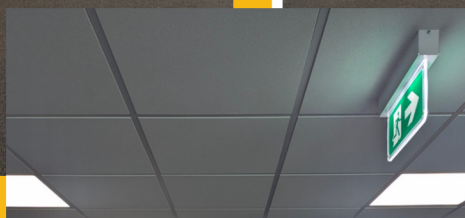

These fantastic aerial photos showcase the current phase, with preparations underway for the installation of a brand-new roof.

Kier Group PLC is working hard to ensure the building is watertight, marking a significant milestone in the project's progress.

Where Everyone Succeeds

# NEW ARTWORK TRANSFORMING FALMOUTH SCHOOL ENTRANCE

New artwork is transforming the entrance of Falmouth School, setting the tone for its fresh look. Additional pieces, following the theme 'Love Where You Learn,' will be installed around the site to further enhance the school environment. This ambitious project is proudly supported by the dedicated efforts of the Central Team.

# TREVIGLAS SIXTH FORM GETS NEW BRANDING

## TREVIGLAS SIXTH FORM

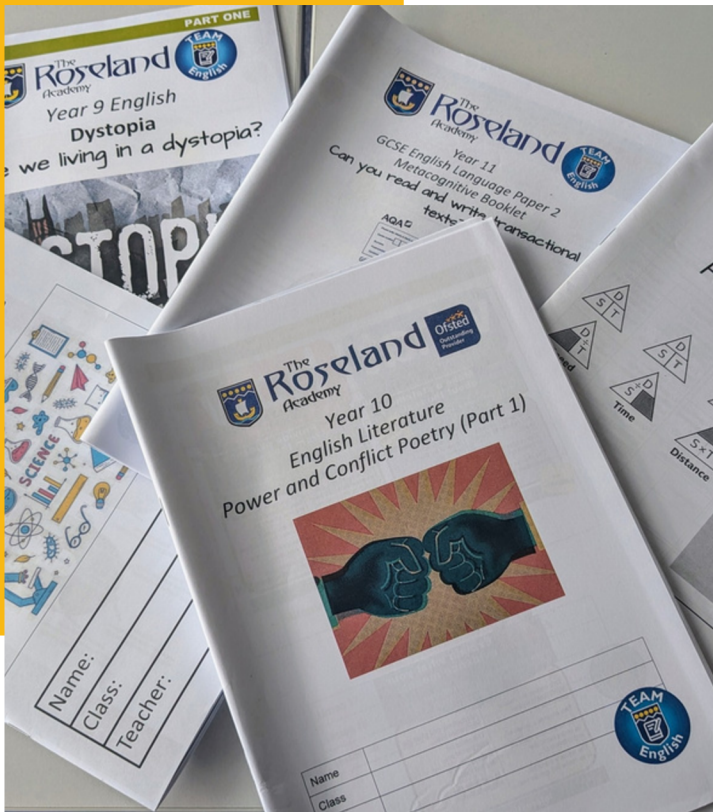

STAY CLOSER  
GO FURTHER

New branding initiative is underway at Treviglas Sixth Form to support recruitment and provide students in Newquay with an alternative post-16 education opportunity to Truro College.

The latest offering will help students achieve the academic qualifications required for university, while also supporting their career development. Crucially it also allows students to study in Newquay and not have to travel.

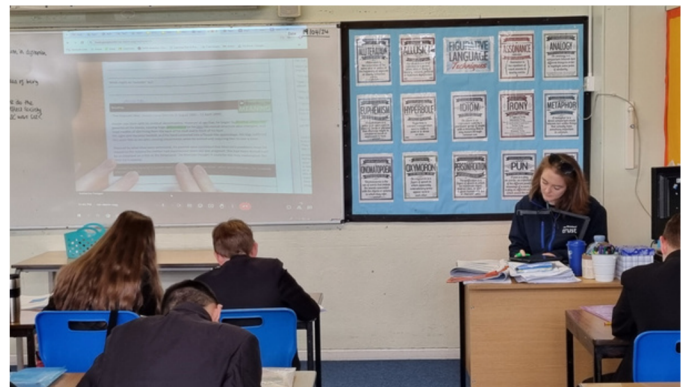

# TRUST WIDE CURRICULUM BOOKLETS

We are thrilled to announce the launch of our curriculum booklets across all secondary settings! This achievement is a testament to the incredible teamwork and collaboration among our teaching staff across the Trust. Together, they crafted high-quality content that truly shines. A special shout-out goes to our phenomenal Central Team, whose tireless coordination with St Austell Print Company ensured that every single booklet was delivered right on time and to the correct venue.

## Creating Ambition

Our Curriculum Leaders are diligently developing the next set of curriculum booklets to enhance student learning and cultivate ambition and excellence. By creating challenging and inspiring content, they aim to unlock student potential and drive improved educational outcomes, paving the way for a future full of possibilities.

Heartfelt thanks to all the dedicated staff who made this time-sensitive project a resounding success. We're overjoyed to share that the feedback from all stakeholders has been overwhelmingly positive!

# Great Governance

**Lisa Michell**  
**Chair of the Board**

**Morag Cunningham**  
**Vice Chair of the Board**

After 10 years the Chair of the Trustee Board Nigel Hyde has stepped down, he has been a fantastic ambassador for the Trust and has built a firm foundation from which the Trust and Governance team can continue to grow. We have a new Chair Lisa Michell, who along with Morag Cunningham as Vice Chair will continue to provide robust Governance for the Trust.

## RECRUITING NOW

We continue to run a recruitment campaign for new Trustees and Governors, please email our Governance Professional Michelle Falconer [info@theroselandtrust.co.uk](mailto:info@theroselandtrust.co.uk) for more details. Please share with your networks. This has also been posted on the Trust social media accounts, keep an eye out and like and share!

# Staff Wellbeing

Welbee Toolkit – please utilise the resources from the Welbee Toolkit where you can also undertake courses and bitesize learning.

One recommendation on this platform is "Your Wellbeing Assistant". This is an AI facility where you can ask questions about your wellbeing and it will provide you with information to help you make manageable changes to improve your wellbeing.

The Employee Assistance Programme is another resource to support your wellbeing: [employeeassistance.org.uk](https://employeeassistance.org.uk), password Roseland. This month they are focussing on the keys to a positive workplace which supports our action plan from the Welbee survey:

- Open communication can build trust, strengthen relationships, and help create a more positive workplace.
- Celebrating achievements, whether through a simple thank you or a formal reward, boosts morale and motivates all of us.
- Encouraging social connections such as team-building activities and social events can strengthen bonds among colleagues in a fun and exhilarating way.

October is a vibrant month bursting with national and global wellbeing events!

From 3–7 October, we spotlight Back Care Awareness Week, followed by World Mental Health Day on the 10th. Then, from 10–14 October, we celebrate National Work–Life Balance Week, and on the 18th, we honor World Menopause Day. Plus, all month long, we're focusing on Stoptober and Breast Cancer Awareness. With so much happening, there's something for everyone to champion!

As a team, let's wholeheartedly embrace Work–Life Balance Week. Let's commit to taking our well-deserved breaks daily and aim to clock off on time. Together, we can nurture a healthier, more balanced work environment for all!

# Staff Spotlight

Guess what, folks? We've got a World Champion among us!

Chris Burnett from our stellar Operations Team has just returned from the X Wing International World Team Championships—a thrilling, in-person event in Mechelen, Belgium, held over two intense days, August 10-11, 2024.

Chris shared, “We went into the weekend aiming for fun and a few wins, so I couldn't be prouder of our achievement... Go Southern Pirates!”

If you're wondering what X Wing is all about, don't hesitate to ask Chris—he's our resident expert and a champion to boot!

## Finance Update

We have our auditors on-site undertaking fieldwork from Monday 4th November (straight after half-term) for the remainder of the week.

They will be based in the spare room next to Operations/Marketing so this will be unavailable for use during this period.

If staff do require a quiet meeting space, we can make alternative arrangements.
